

Media Release for Show us ya Shorts

Lights! Camera! Action! Show us ya Shorts 2009 was once again a successful National Youth Week Event held in both Strathalbyn on Thursday 2nd April and Victor Harbor on Friday 3rd April. Crowd numbers reached over 150 young people and community members between the two events. National Youth Week is Australia's largest celebration of young people.

A dedicated group of young people took a lead role in the planning; promotion and coordination of Show us Ya Shorts. Struth FM hosted the event and also conducted a quiz show at intermission where audience members had the opportunity to participate in answering questions about the featured films and win fantastic prizes.

Chloe Irvine entertained the audience with her voice and guitar at both Strathalbyn and Victor Harbor. Fingercuffs finished off the night at Victor Harbor, keen fans dancing away to the tunes as the show came to a close.

Films we received came from across the Southern Fleurieu consisting of various genres such as claymation, art house, comedy and drama. Thanks to Mission Australia and the Chalkfest Committee films also came from within the Onkaparinga Council area. Show us ya Sorts gives young film makers an opportunity to have their films depicted to the wider community.

We would like to thank Chris Sedunary, Roxy's Music, the Youth Advisory Committee, the film makers, Chloe Irvine, Fingercuffs, Mission Australia and the Chalkfest committee, the Strathalbyn Players, Tim White Photography, Alexandrina Council and City of Victor Harbor for helping to make this year's event a success!
