Headline: National Youth Week 2010

The Southern Fleurieu Youth Advisory Committee (yac) is pleased to announce that local young film maker Oliver Del Vecchio has won the National Youth Week (NYW) 'Ourspace' launch competition, this is an amazing achievement as this competition was Australia wide and our Oliver won. This means that NYW is having its national regional Launch in Victor Harbor at Warland Reserve on the 10th of April 2010 from 1 pm through til 5pm.

The Event which will be filmed by National TV show Video Hits, the day is going to be huge and will include a lot of fun activities, such as; rock climbing wall, skate ramp on the reserve, local and national bands, celebrities (we cant tell you who they are yet it is a surprise), local and state media and much much more. This is all to celebrate youth in Australia! This launch event will kick start a number of youth events all over Australia, including our own short film festival, Show Us Your Shorts to be held later during youth week.

This is a great opportunity to showcase what a young, vibrant, youth culture our area has to offer. We cannot wait to see you all there it is going to be a massive day filled with fantastic fun.
