**Item 2 Correspondence In/Out**

2.1 Letter received from Director of the Office for Youth, Dr Tahnya Donaghy in regard to changes to support strategies for Youth Advisory Committees in 2006/07.

Essentially this means that the Office for Youth will not be running YACFest this year due to new financial restraints and other methods of support such as Diversity Funds. It is thought that this and other planned strategies for support will put funds to more effective use. i.e. benefit more people/YAC.

2.2 No correspondence out

**Item 3 Financial Report:**

- 3.1 All funds received from Office for Youth for the YAC have been expended for 05/06. This included YAC core funding of \$3000 per Council, plus YAC Diversity Funds \$3000 – Total of \$9000. Report and acquittal has been sent.
- 3.2 Funding for Office for Youth Programs for 06/07 has been streamlined. Have completed applications on-line for 3 in 1 grants including National Youth Week (\$1500 per Council) YAC Core funding (\$3000 per Council) and YAC Diversity funds (\$3000 per YAC).
